We want to teach you everything about piercings & procedures so that you will have a place at ASG INK as one of our Piercing Artists! This is a rare opportunity to receive full training & certification without the cost of tuition AND an employee position upon successful completion! No experience in the industry is needed although there are some qualifications required. EVERYONE INTERESTED MUST: be at least 18 years of age & drug-free with valid ID, be able to read with comprehension, able to work with minors & children, be able to bend, lift & be on feet for long periods, be able to work with medical grade equipment & tools, have reliable transportation, be available Thursday thru Monday for courses & training, To be considered, ALL steps in the green column must be followed, send everything to the email in the red column with 'Free Piercing Apprenticeship' in the subject line. Upon review, a selected group of candidates will be called for an interview & skills test. Those selected from that group will be called in for a 2nd interview with skills test. An individual will be selected from the 2nd group of candidates following final review. *ASG INK reserves the right to withdrawal this offer at any time. Should qualifications not be met, no one will be chosen. The selected individual must agree to terms by contract before advancement into the program, of which, an apprentice may be obligated to repay full tuition/costs due to breach as to terms of the contract. Full-time position offer based on availability as well as complete & successful training & courses of 6 month program, of which is full intent of the ASG INK program.
